www.charlottedstar.org – This is our web site containing information about our repeaters and what nets they connect to throughout the week. **Click on Registration and use Quick Registration to register with us for D-STAR.**

groups.yahoo.com/neo/groups/ct-dstar/info – This is our Yahoo group. Please join it. It covers all DV modes, not just D-STAR. We post changes to our repeaters, notices for our monthly dinner meeting and answer questions that users post there. Feel free to ask a question. (There are many more Yahoo groups for D-STAR, Fusion, WIRES-X, DMR, mmdvm, and even for specific radios. Just search for them.)

www.dstar101.com – This is a good beginner's site to learn about D-STAR.

www.dstarinfo.com – is a good site for D-STAR specific info. You can download repeater lists for D-STAR radios to import into your radio. There are many links to other good D-STAR web sites.

www.dstarusers.org – D-STAR last heard list and the official D-STAR repeater directory

www.dmr-marc.net – To use DMR you must get a seven-digit subscriber ID. **Click on Register ID on the top right of the page and then on User Registration at the bottom of the next page.**

www.ncprn.net – a site for DMR repeaters in the southeast including a last heard list and code plugs for many common radios to get you going.

[www.trbo.org/docs/Amateur Radio Guide to DMR.pdf](http://www.trbo.org/docs/Amateur%20Radio%20Guide%20to%20DMR.pdf) – a comprehensive guide to DMR.

[www.brandmeister.us/files/US BM User Guide.pdf](http://www.brandmeister.us/files/US%20BM%20User%20Guide.pdf) - explanation of Brandmeister talk groups.

hose.brandmeister.network – a unique last heard list for DMR on the Brandmeister system including the ability to click on a talk group and listen

www.hamoperator.com – a good site to learn about System Fusion and WIRES-X. Look for the WIRES-X bible under Fusion Help.
