

Randolph Amateur Radio Club Weekly Net Preamble

CQ, CQ, CQ. Calling all amateurs. Calling all Amateurs.

This is (YOUR CALL) Net control for the weekly Randolph Amateur Radio Club net. My name is (YOUR NAME) and I am located in (YOUR QTH).

By permission of the Guilford Amateur Society this net meets each Monday night at 7:30 P.M. on the W4GG repeater located South of Greensboro in Level Cross on the frequency of 145.250 negative offset with an 88.5 Hz tone and through Echolink at W4JLH-R. In the event of a repeater failure, we will meet on the club simplex frequency of 146.445.

The purpose of this net is to provide training in routine and emergency communications; to be a forum for new ideas; make club announcements; and to offer an opportunity for general fellowship to all radio amateurs. All amateur stations are invited to participate. We would also like to extend an invitation to attend any of our club functions. For more information about our club, contact Butch, WS4H at 336-381-4584 or visit us on the web at (use phonetics) NC4ZO.com and on Facebook by searching NC4ZO.

Do we have any emergency or priority traffic? Please call net control. (wait for a moment)

Do we have any announcements? Please call net control. (Make announcements at this point)

Net control will now take EchoLink stations first. Are there any EchoLink stations wishing to check in? Please call (YOUR CALL) net control and give your name and location. (EchoLink may take additional time to drop in and out)

Net control recognizes the following EchoLink stations: (list of stations).

Net control will now take mobile stations. Are there any mobile stations wishing to check in? Please call (YOUR CALL) net control and give your name and location and please use standard phonetics.
